

New Project Development

To enhance the golfing experience of our patrons, a new and exciting development will soon be unveiled at Marina Bay Golf Course.

The new development will involve landscaping works at the club house slope and practice green areas from 10 April to 31 August 2017.

Practice green 4 (for chipping) and the practice bunker will be permanently closed. Practice green 2 will be reduced in size. A new practice bunker will be created alongside a revamped practice green 3.

Landscaping works will take place in three phases*:

Phase 1 (Apr 2 nd Week – May 1 st Week)	Redevelopment Works at Club House Slope Closure and Revamp of Practice Green 3 Modification to Practice Green 2 Creation of New Practice Bunker
Phase 2 (May 1 st Week- May 4 th Week)	Closure of Practice Green 4 and Bunker Practice Green 3 Open for Play Redevelopment Works at Practice Greens
Phase 3 (Jun – Aug)	Turf Grow-in and Maintenance

We regret any inconvenience caused and seek your tolerance of the noise levels while the landscaping works are being carried out.
